

Employee dishonesty is a widespread problem... Are your clients covered?

Facts about employee dishonesty:

- **Fastest Growing:** Employee theft is one of the fastest growing crimes in the United States.

Source: Federal Bureau of Investigation's Crime Statistics Report 2010

- **Causes Bankruptcies:** One-third of all business bankruptcies can be traced directly back to employee theft. Source: U.S. Chamber of Commerce Survey 1999

- **Huge Losses:** An average of \$2.7 billion per day is lost to employee theft. Source: Association of Certified Fraud Examiners Report for the Nation 2008/2010

Merchants Bonding Company covers you with **Theft Guard**: protection for you and your customers from loss incurred by dishonest acts of your employees.
